Luisa Paiewonsky, Commissioner
Massachusetts Highway Department
10 Park Plaza, Suite 3170
Boston, MA 02116

Dear Commissioner Paiewonsky:

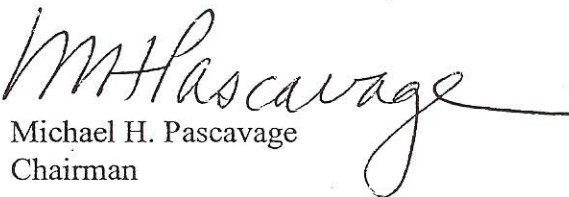

On behalf of Cummings Properties, LLC, I would like to voice our strong support for installing sound barriers as a buffer against highway noise along certain designated sections of Route 128 within the city of Woburn.

Over the years, increased traffic and the accompanying noise has affected the quality of life for numerous Woburn residents. The construction of sound barriers undoubtedly would be of great benefit not only to the directly affected neighborhoods, but also to the community at large.

I ask that you look favorably upon this matter when it comes before you.

Sincerely,

CUMMINGS PROPERTIES, LLC
