Ms. Luisa Paiewonsky, Commissioner
Massachusetts Highway Department
10 Park Plaza, Suite 3170
Boston, MA 02116

Dear Commissioner Paiewonsky:

As both a resident of Woburn and a member of its business community, I would like to express my support for the installation of sound barriers along the sections of Route 128 in Woburn that most closely abut residential neighborhoods. I have been told that sound barriers would significantly mitigate the loud and unrelenting noise that this extremely busy interstate and regional highway imposes on large areas of our community.

This type of relief is much needed and long overdue. Thank you for your attention to this important matter.

Sincerely,

Erica L. Wright
